FROM THE PASTOR’S PEN:

Liberty is a precious freedom. It doesn’t come without price. Our nation is celebrating Memorial Day tomorrow. We think on the great sacrifice that has been made by so many for our precious liberty. (With many paying the ultimate sacrifice with their lives). I think some time we take for granted our freedom and liberties that we have. Today, we have the Liberty to come and Worship as we desire (many places don’t have this liberty), and yet so many don’t take the opportunity given to them. (Could you imagine what it would be like if we couldn’t come and worship as freely as we do?) I’m afraid if we don’t see Revival come to America, we will see more and more of that, which is right, fade away in our Nation. God commands us, as His people, to pray for our leaders, and those in authority, that they might lead our nation in the way God would have her to go... I am thankful for the people at Burnout Baptist Church, who love their Country, the Community they live in, and The Lord’s Church.

We pray that God continues to Bless those who are sick and shut-in, in our community, as well as the Church. REMEMBER OUR VACATION BIBLE SCHOOL... may we be praying and preparing for a good time in the Lord. We love each one. *Bro. Danny*

“And I’m PROUD to be an AMERICAN, where at least I know I’m free. And I won’t forget the men who died, who gave that right to me.” Lee Greenwood
