## Words of Promise By: Max Lucado

Every Christmas I read this reminder that came in the mail several years ago:

If our greatest need had been information, God would have sent an educator.

If our greatest need had been technology, God would have sent us a scientist.

If our greatest need had been money, God would have sent us an economist.

But since our greatest need was forgiveness, “God sent Us a Savior.”

*He became like us, so we could become like him.*

*Angels still sing and the star still beckons.*

*He loves each one of us like there was only one of us to love.*

*“For unto us a child is born, unto us a son is given; and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace.” Isaiah 9:6*

**GOD...**  
*will teach us*  
**HIS** *ways.*

Isaiah 2:3
